Dear Judge Papalia,

Supportive Health LLC has been made aware that its bankruptcy filing is in jeopardy of being dismissed because of ineffective counsel. Given the money and time that Support Health has already invested towards the bankruptcy, it would not be just to dismiss the bankruptcy without giving Supportive Health an opportunity to be represented by competent counsel. As it seems that Supportive Health must now speak for itself, Supportive Health requests an opportunity to retain new counsel to continue its case. Supportive Health should be able to retain new counsel within 30 days.

Thank you for your consideration.

Sincerely,

*Carline Bolivar*
